LEGO®Indiana Jones™ Whips Up a New Adventure

*LucasArts and TT Games Don Their Fedoras for the
Next Great LEGO® Gaming Experience*

SAN FRANCISCO, Calif. – May 29, 2009 – LucasArts and TT Games today announced that *LEGO® Indiana Jones™ 2: The Adventure Continues* will whip onto Wii™, Nintendo DS™, PLAYSTATION®3 computer entertainment system, PSP® (PlayStation®Portable) system, Xbox 360® video game and entertainment system from Microsoft and Windows in the Fall of 2009. Developed by the same team at Traveller’s Tales that created the award-winning *LEGO® Indiana Jones™: The Original Adventures* and the *LEGO® Star Wars™* series, *LEGO Indiana Jones 2* presents a tongue-in-cheek take on all four cinematic adventures of pop culture’s most iconic archaeologist, including for the first time ever *Indiana Jones and the Kingdom of the Crystal Skull* and will give players the ability to create levels of their own!

“LucasArts and TT Games continue to set the bar for next-generation family entertainment with the *LEGO Indiana Jones* franchise,” said Darrell Rodriguez, president of LucasArts. “*LEGO Indiana Jones 2* delivers something a little different for everyone. Parents will enjoy the humorous take on the classic moments from their favorite movies, and their kids have an opportunity to experience the most authentic LEGO experience by building their own fun levels brick by brick.”

“It has been a real joy to work with LucasArts on such an iconic character. Indiana Jones embodies the adventurous spirit that perfectly suits the LEGO world,” said Tom Stone, director at TT Games. “Indy also presents us with wonderful and memorable cinematic moments.”

About LucasArts

LucasArts, a division of Lucasfilm Entertainment Company Ltd., is a leading developer and publisher of interactive entertainment software worldwide for video game console systems, computers and the Internet. Based in San Francisco, Calif., as well as on the Internet at www.lucasarts.com, LucasArts was created in 1982 by George Lucas to provide an interactive element to his vision of a state-of-the-art, multifaceted entertainment company.

About TT Games

TT Games aims to become a leading developer and publisher of interactive entertainment for young gamers and their families. Based in the UK, the Group incorporates the TT Games Publishing organisation with world-renowned developer Traveller's Tales, and subsidiary studio TT Fusion. The first title to come from the TT Games partnership was the award winning LEGO *Star Wars: The Videogame*, which won over audiences both young and old alike, achieving critical acclaim rarely matched for a title aimed at children. For more information, visit www.ttgames.com.

About The LEGO Group

LEGO Systems, Inc. is the North American division of The LEGO Group, a privately-held, family-owned company based in Billund, Denmark, one of the world's leading manufacturers of creatively educational play materials for children. The company is committed to the development of children's creative and imaginative abilities, and its employees are guided by the motto adopted in the 1930s by founder Ole Kirk Christiansen: "Only the best is good enough."
